GOLDEN GREEN GROUP

INNOVATIVE. RELIABLE. GLOBAL.

About the Company

Golden Green Group, established in **2003**, is an international company specializing in integrated industrial solutions, metal processing, engineering, logistics, and sustainable development.

With over two decades of experience, we combine expertise, technology, and partnership to create value for clients across the globe.

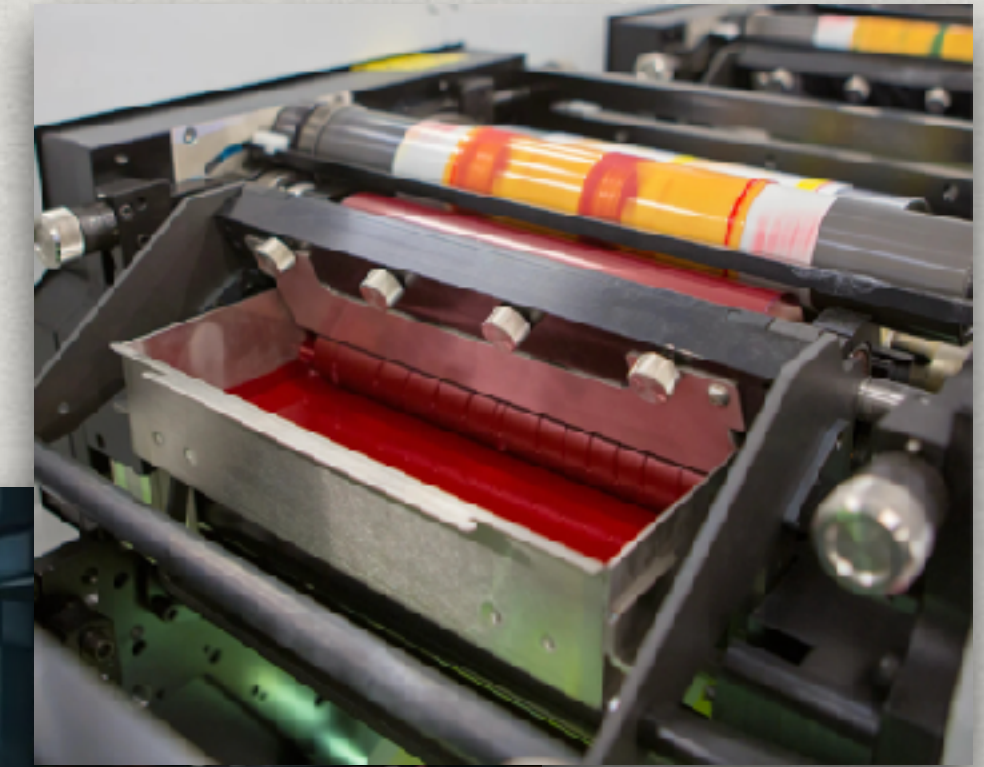

SUSTAINABILITY AND INNOVATION ARE AT THE HEART OF EVERYTHING WE DO

Main Business Direction

- Flexible Packaging
- Textile Equipment
- Metal Processing & Engineering Solutions
- Chemical Products
- International Tenders
- Trading and Supply

EACH PROJECT REFLECTS OUR COMMITMENT TO QUALITY AND INNOVATION

Flexible Packaging Solutions

- Advanced and sustainable packaging technologies.
- Wide range of flexible materials for various industries.
- Ensuring product safety and quality.

Partners:

Comexi (Spain), Allstein GmbH (Germany), BOBST (Switzerland), Uteco (Italy), UFlex (India), Herzpack (China) and others.

Textile Machinery and Solutions

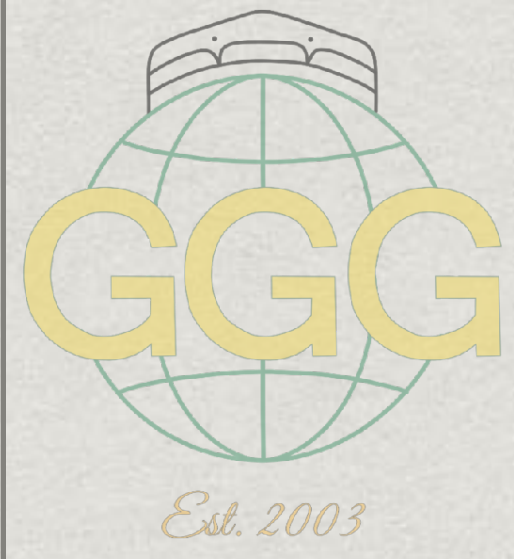

- Turnkey textile production lines.
- Advanced equipment from global manufacturers.
- Reliable and efficient technologies.

Partners:

G.T. Srl (Italy), Marzoli (Italy), Reiter (Switzerland), Mahlo GmbH (Germany) and others.

Chemical Products for Industry and Textiles

- Supply of high-quality industrial and textile chemicals.
- Compliance with international safety and environmental standards.

Partners:

Henkel (Germany), Brilliant (India), Kale Kimya (Turkey), Ochem Chemical (China) and others.

In 2026, we installed and launched new **COMEXI F4** equipment

COMEXI F4 is a state-of-the-art flexible packaging machine. It offers high-speed production, energy efficiency, and eco-friendly materials. This equipment enhances our capabilities in providing sustainable packaging solutions.

Metal Processing & Engineering Solutions

Precision Engineering for Modern Industry

- CNC machining and precision metal processing
- Manufacturing and supply of industrial metal components and spare parts
- Engineering solutions for textile, packaging and industrial sectors
- High-quality metal fabrication with international standards compliance.

Key Services:

- CNC Turning and Milling
- Metal Fabrication
- Welding Solutions
- Spare Parts Production
- Custom Engineering Projects

PRECISION, ENGINEERING AND RELIABILITY IN EVERY DETAIL

Our Metalworking Capabilities

Advanced Manufacturing & Industrial Support

Our Advantages

- ✓ Modern manufacturing technologies
- ✓ Precision and quality control
- ✓ Flexible production solutions
- ✓ Reliable project execution
- ✓ International cooperation and supply support

Industries We Serve:

- Flexible Packaging
- Textile Industry
- Industrial Manufacturing
- Infrastructure Projects

Production Capabilities:

- Precision metal components
- Industrial assemblies
- Machine spare parts
- Engineering support

DELIVERING INDUSTRIAL SOLUTIONS WITH PRECISION AND QUALITY

International Tender Projects

- Active participation in international tenders and procurement projects across multiple sectors of Uzbekistan's economy.
- Full preparation and support of tender documentation in accordance with international standards.
- Veterinary Committee Project — supply of *In Vito* laboratory equipment under the *Livestock Sector Development Project*, implemented with the participation of the International Development Association (IDA) and the International Bank for Reconstruction and Development (IBRD).
- Social Project — cooperation with the Representative Office of “Agence d'Aide à la Coopération Technique et au Développement” (ACTED Uzbekistan).
- Proven experience in turnkey project implementation and documentation support for international tenders.

Our Professional Team

WE ARE A TEAM OF EXPERTS UNITED BY PROFESSIONALISM, INNOVATION, AND RELIABILITY.

- **Engineering Department**

Responsible for selection, installation, and maintenance of industrial equipment.
Experienced in working with leading brands such as *Comexi, BOBST, Reiter, Marzoli*, and others.

- **Tender & Project Department**

Specializes in preparation and management of international tenders.
Collaborates with organizations such as *IDA, IBRD*, and *ACTED Uzbekistan* to ensure compliance and transparency.

- **Commercial & Logistic Department**

Manages procurement, supply chains, and quality control.
Strong partnerships with suppliers from Europe, India, China, and Turkey ensure reliable and efficient deliveries.

- **Finance & Quality Department**

Handles financial planning, auditing, and certification processes.
Ensures compliance with ISO standards and internal quality control procedures.

PROFESSIONALISM, RESPONSIBILITY, AND TEAMWORK DEFINE OUR SUCCESS

Our Values

- **Professionalism** — personal responsibility and high competence in every project.
- **Integrity and Transparency** — We build trust wrought open communications, ethical business practices and accountability. Our Clients and Partners can rely on our transparency in every process and decision.
- **Innovation and Growth** — continuous implementation of new technologies and solutions.
- **Partnership and Trust** — long-term relationships built on trust, respect, and transparency.

EXCELLENCE IS NOT AN ACT, BUT A HABIT.

Our Global Network

A STRONG GLOBAL NETWORK CONNECTING TECHNOLOGY, EXPERTISE, AND TRUST.

Global Presence

Golden Green Group operates through a well-established network of international partners, suppliers, and clients across **Europe, Asia, and the CIS region**.

Our partnerships allow us to deliver high-quality industrial solutions, advanced technologies, and

Key Regions of Operation

- **Europe:** Strategic partnerships with manufacturers in *Italy, Germany, and Spain*.
- **Asia:** Long-term cooperation with suppliers in *China, India, and Turkey*.
- **CIS & Central Asia:** Active presence in *Uzbekistan, Kazakhstan, Kyrgyzstan, and Azerbaijan* through local representatives and service teams.

Our Capabilities

- **Global Sourcing** — certified industrial equipment and spare parts.
- **Efficient Logistics** — optimized supply chains and on-time delivery.
- **Local Expertise** — technical support and after-sales service.
- **Trusted Partnerships** — collaboration with development agencies and private

CONNECTING GLOBAL TECHNOLOGY WITH LOCAL EXPERTISE

Our Capabilities

- Global Sourcing — Certified equipment and spare parts from trusted international suppliers.
- Efficient Logistics — Optimized supply chains and delivery timelines ensuring reliability and cost efficiency.
- Local Expertise — Technical support and on-site service tailored to regional requirements.
- Trusted Partnerships — Strong cooperation with government institutions and private enterprises.

DELIVERING EXCELLENCE THROUGH EXPERIENCE, EFFICIENCY, AND TRUST

Sustainability

- Energy-efficient technologies and eco-friendly materials.
- Carbon footprint reduction and resource optimization.
- Social responsibility and support for local communities.

WE BELIEVE IN BUSINESS THAT BENEFITS BOTH PEOPLE AND THE PLANET

Company Certificates and Memberships

- Certificate of State Registration
- Membership Certificate — Chamber of Commerce and Industry of the Republic of Uzbekistan
- VAT Registration Certificate

Conclusions

BUILDING THE FUTURE THROUGH QUALITY, INNOVATION, AND PARTNERSHIP

Key Takeaways:

- Golden Green Group is a reliable international partner.
- We combine expertise, technology, and sustainable growth.
- Our values — trust, quality, and innovation — define our identity.
- We move forward by creating solutions that shape the industries of tomorrow.

We value long-term relationships built on mutual respect and shared goals.

Every partnership is a collaboration — a joint effort to achieve sustainable success.

TOGETHER, WE CREATE SOLUTIONS THAT MOVE INDUSTRIES FORWARD

Why Choose Golden Green Group

- ✓ Over 20 years of industry experience
- ✓ International supplier network
- ✓ Engineering and industrial expertise
- ✓ Reliable logistics and project support
- ✓ Sustainable and innovative solutions
